Time to Finish STRONG!!!

End-of-year conversations have already been underway. If you still need a final check-in with me, I *must* also speak with your Caretaker or Learning Coach for it to be counted as our EOY visit. We review how the year went for you, how you did with your goal(s), and look forward to what to expect next year.

Students should be around 80.5% complete with semester courses and 95% complete with year-long courses. As you find yourself finishing sections, please ensure that you have a passing grade (60% or greater). ***The most important thing to remember is that with hard work and dedication, YOU can and will succeed!***

Utilizing me to help you achieve success is a key solution to finishing strong with grades you are proud of. Don't wait until it is too late to connect with me to book time. My schedule fills up very quickly! Here are the ways to contact me:

- WebMail
- Phone: 208-370-3628 (text or call)
- [YouCanBook.Me](https://www.youcanbook.me)

Connecting with me for monthly check-ins are a required part of attending Connections Academy. Please do not fall behind on these or my unsolicited phone calls will begin. No one likes those!

I have begun conducting End-of-Year calls. If you'd rather schedule that conversation with me yourself, please use my booking page to do so. Be sure you make a note when scheduling if it is specifically for the End-of-Year conversation so I can be prepared. These can occur either by phone or in my LiveLesson room! Secrets of Success

- **Complete your Orientations**—Students and Learning Coaches
- *The Best Kept Secrets* are in these presentations. Refer back to them often the first month of school...and any other time during the year. (You can find them in the Virtual Library or in Learning Coach Central.)
- **Set up your study area**—Make it a special place where you do only school work. If a separate space is not possible, arrange your schedule so the space is only used for school during specific times of the day.
 - **Daily attendance**—Consistency is important in learning.
 - **Begin the first day of school or the day you have access to lessons**—if you have enrolled later—begin even if you do not have all of the books and materials! You have copies of the books online through the links in your lessons. If you get behind, it is hard to catch up. All workbook pages are available as PDFs.
 - **Do all your assignments in order.** Complete Portfolios before going on to the next Unit. Don't put off portfolios! Portfolios are intended to take multiple days with instructions for different parts given throughout a unit. Do each part as you are instructed to do so.
 - **Decide how you are going to use your Student Planner.** Learning Coaches can enter family outings and appointments and other events that will affect your schooling—monthly calls and LiveLessons.
 - **Be available for required monthly phone calls.** You can schedule a set time or you can use You Can Book Me to find the best time for you!
 - **Attend scheduled LiveLessons.**
 - **Mark the STATE TESTING Dates on your Family Calendar when made available.** ISAT testing will happen in the spring. You will receive more information on this later.
 - **ASK QUESTIONS!** If you are new to INSPIRE—it takes a few weeks to get adjusted to this new way of learning. If you are a returning family, it will take some time to adjust to the new curriculum and get back into your school routine. If you have questions—ask. If I don't know the answer, I will find out who does.
 - **Clear curriculum modifications with your teacher.** Some families may need to have the curriculum modified for various reasons. Please work with me so that your student continues to meet Idaho Standards while meeting his/her unique needs.
 - **School Support/Tech Support—800-382-6010.** You can always call Connections Academy with questions—especially if they are computer or equipment related. I will direct you to these numbers if you are having issues with the materials CA sent.
